

THE
Blue Angels
ASSOCIATION

16 November 2016

Flick,

On behalf of the Blue Angels Association and the 2016 Blue Angels I'd like to thank you. Your creative initiative and professional expertise made our 70th Anniversary video into a product that surpassed all expectations!

We had over 450 friends and family of the Blue Angels in attendance last Saturday night. There were former Blue Angels from every era reaching back to 1953. You managed to make a video that spanned 70 years and yet touched every single one of them in a profound and personal way. That is simply incredible!

The 70th Anniversary Tribute video you created will be viewed and treasured by hundreds of Blue Angels for years to come!

Thank you!

Sincerely,

RADM David O Anderson USN (ret)
President
Blue Angels Association
